– Witness the event that is central to the season, brought to life on a panoramic stage with high drama, spectacular special effects and live animals – on stage and in the aisles. Though it's familiar to many, experiencing the events of Jesus' birth always brings a new opportunity to consider such a profound plot — that God sent his only Son to live among us, ultimately providing forgiveness and the ability to receive a new life with Him for those who believe. A grand story with an uplifting message, it all began in the most unusual way: with a young girl named Mary, a perilous journey and a stable in the crowded little town of Bethlehem. With enormous sets, elaborate costumes, immersive lighting and sound design, *Miracle of Christmas* is a jubilant re-creation of the Bible's most celebrated story. Journey into the fields where the awestruck shepherds are met by a host of angels proclaiming the good news of the Messiah's birth. Witness the wonder of the wise men as they bring gifts to the newborn King. And experience the joy of Mary and Joseph as they welcome their promised son into the world.
