

WEDNESDAY, MAY 8, 2019 – “GOING BEHIND THE SCENES”
WITH YORK COUNTY FACTORY TOURS

Go behind the scenes of some of America’s favorite products in York County, PA,
“The Factory Tour Capital of the World.”

- 8:45 AM - leave Kohl's, Westminster (Rt. 140 & Market Street)
- 10:00-11:30 - **Harley Davidson Motor Company** (York, PA) – Established as an assembly facility in 1973, Harley-Davidson Vehicle Operations in York, PA assembles the Softail®, Touring, CVO™ and Trike models. They also perform a variety of manufacturing operations – making parts like frames, fuel tanks, and fenders. At the Vaughn L. Beals Tour Center, you'll explore exhibits that detail the manufacturing and assembly processes of the factory. You'll also have the chance to sit on current production motorcycles and visit the gift shop for tour-related souvenirs. The guided factory tour begins with an introductory video and continues on the factory floor where you'll get a behind-the-scenes look at the people, processes and products of Vehicle Operations.
- *PLEASE NOTE: Closed-toe, low-heeled shoes are required. Bags or packages are not permitted on the tour. Cameras are not permitted in the plant but can be used at the Tour Center.
- 12:00-2:15 - **Bube's Brewery** (Mount Joy, PA) – Enjoy a buffet lunch and unique guided tour at this 19th-century brewery complex still in its original condition with a modern brewery on-site. Visitors will learn about beer making 100 years ago and today. The tour includes the underground lagering cellars, the catacombs. Bube's Brewery is the only intact Pre-Prohibition brewery complex left in the United States. Buffet will include a salad station, Bube’s BBQ (slow cooked pulled pork, beer braised beef, mild BBQ sauce), petite sandwich cuts on Italian rolls, baked mac & cheese, vegetable medley, dessert & beverage.
- 2:30-3:30 - **National Watch & Clock Museum** (Columbia, PA) – Opened to the public in 1977, the museum is recognized as the largest and most comprehensive horological collection in North America. The Museum collection of over 12,000 items is international in scope and covers a wide variety of clocks, watches, tools, and other time-related items, including 19th-century American clocks and watches, early English tallcase clocks, Asian timepieces from Japan and China, and timekeeping devices from Germany, France, the Netherlands, and Russia. Chronologically, the exhibits take you on a tour through the entire history of timekeeping technology from early non-mechanical devices to today's atomic and radio-controlled clocks.
- 3:35-5:30 - **Turkey Hill Experience** (Columbia, PA) – Take a tasty self-guided tour of The Turkey Hill Experience featuring interactive exhibits allowing you to learn about dairy culture, the story of Turkey Hill Dairy, and how the company's ice cream and iced tea flavors are selected and created. You will truly experience what it's like to be a Turkey Hill Dairy ice cream maker for a day, including the opportunity to
