After going through customs & arriving in Niagara Falls, we will have a delicious dinner in the revolving dining room of the world-famous **Skylon Tower**. Have the opportunity to ride to the top of the tower to the observation decks for an amazing view of the falls and a 360-degree view of the Niagara Falls area. We'll then check in to our fallsview accommodations for the next two nights at:

MARRIOTT NIAGARA FALLS FALLSVIEW HOTEL
 (905)357-7300
 6740 Fallsview Blvd.
 Niagara Falls, Ontario L2G 3W6

Our hotel has the enviable distinction as being the closest hotel to Niagara Falls and each room provides a beautiful falls view. As Niagara Falls' premiere AAA Four Diamond, five-star luxury hotel, the Marriott overlooks the majestic falls and is within walking distance to many area attractions. Tonight, we will have free time to explore the area on our own. Try your luck at the beautiful **Niagara Fallsview Casino** to enjoy the many stores, restaurants and gambling. The casino features over 3,000 slot machines and over 100 table games. You can venture off to **Clifton Hill**, the Street of Fun, to enjoy the museums, gift shops, restaurants and the Great Canadian Midway Entertainment Center.

FRIDAY, MAY 17: Following a buffet breakfast at the hotel in the award-winning **Terrapin Grille Fallsview Restaurant**, we will depart on a **guided tour** of the Niagara area. We will visit points of interest in Niagara Falls including the world famous **Floral Clock** and the **Niagara Whirlpool**, one of the world's most mesmerizing natural phenomena. Take a thrilling ride on the

Whirlpool Aero Car, as you are transported through the air in an antique cable car, high above the racing Niagara River. The Aero Car was designed by a Spanish engineer, Leonardo Torres Quevedo and has been in operation since 1916. The cable car is suspended from six sturdy cables and offers a wonderful view of the Niagara Whirlpool which is formed at the end of the rapids

where the gorge turns abruptly counterclockwise, and the river escapes through the narrowest channel in the gorge. (Please note that this attraction is optional and is not wheelchair accessible.) We'll have lunch and free time in the quaint town of **Niagara-on-the-Lake**, the first capital of Canada, to enjoy the charming shops and eateries. Afterwards, we will visit one of Canada's first estate wineries, **Inniskillin Winery**, for an optional wine tasting & the opportunity to purchase one of Canada's most cherished products, the icewine. Next, we will board **Hornblower Niagara Cruises** (formerly **Maid of the Mist**) for an exciting close-up view of the falls. The historical ride is North America's oldest tourist attraction which millions of visitors have enjoyed since 1846. Ride into the heart of the falls aboard new state-of-the-art 700-passenger catamarans departing from the Canadian docks past the base of the American Falls, then into the basin of the magnificent Canadian Horseshoe Falls & Bridal Veil Falls to experience the thundering roar and refreshing mist providing a thrill of a lifetime! Then, experience **Journey Behind the Falls** where we will take a journey deep below and behind the heart of Niagara and stand in the mist where the mighty Horseshoe Falls tumble from 13 stories above! Elevators descend 150 feet through bedrock to tunnels that lead to portals which are one third of the way behind the massive sheet of water. We will experience the awesome spectacle of one-fifth of the world's fresh water crashing down to the basin below. During summer daylight hours, over 2,800 cubic meters of water thunders over the brink every second, traveling 65 kilometers per hour! Also walk on to the Upper and Lower Observation Decks located at the very foot of the Falls. This evening, we will have a delicious dinner at **Table Rock Elements on the Falls Restaurant**. Tonight, pull up a chair to your hotel window & enjoy the evening falls illumination as Niagara Falls is transformed into an incredible, multi-colored water and light masterpiece, along with a spectacular fireworks display at the brink of the falls! (pending weather)

SATURDAY, MAY 18: After breakfast at the hotel, we will go through the border crossing process as we return to the USA. Back on the states side, we will encounter the splendor of the **American Falls and Niagara Falls State Park**, situated on 400 acres of lush terrain, home to jaw-dropping natural beauty, miles of walking trails, protected wildlife, and an array of attractions. Take a ride around on the **Niagara Scenic Trolley**, which provides an overview of the park and offers historical anecdotes and fun facts. Stop at the **Visitor Center** which provides interactive displays and exhibits, maps and information, gift shop, eateries, and more. Get the only panoramic view of all three Niagara Falls, including the American Falls, on the **Niagara Falls USA Observation Tower**. Extending out dramatically over Niagara Gorge, the architectural wonder of the Niagara Falls USA Prospect Point Observation Tower affords unobstructed views of the wild cascades of Niagara Falls, as well as the raging whitewater below. Enjoy lunch on your own while visiting the park. We will then depart for home making lunch and rest stops en route. Dinner and shopping are planned at the **Country Cupboard Restaurant** in Lewisburg, PA to complete this exciting tour.
