FRIDAY, JUNE 4: Following a buffet breakfast at the hotel, we will travel a short distance to the town of **Clayton** which became a major shipbuilding and lumbering port soon after it was settled in 1822. Learn about boating history on the St. Lawrence River while on a self-guided visit at the **Antique Boat Museum** which features the largest and most impressive collection of antique and classic boats on display in North America! Then, board the **Night Heron**, an incredible glass-bottomed boat, to get an unparalleled view of underwater life in the clean waters of the St. Lawrence River. Enjoy a narrated cruise to **Rock Island** and spend time visiting the island where you can climb up in the **Rock Island Lighthouse** tower which overlooks the St. Lawrence River. Visit the lighthouse keeper's home that is now a museum and gift shop. Walk the island and see the building once used to store whale oil for burning in the lighthouse. Have lunch on your own in the charming town complete with shops, eateries, museums, and galleries,

before we head to the **Thousand Islands Winery** for a tour and sampling of some of their wines. The winery, housed in the original 1923 Sears & Roebuck barn, is the largest farm winery in Northern New York State, located on the St. Lawrence River on a historic 40-acre farmstead. Learn about their award-winning wines, the process from start to finish, and the history of the property. A delicious dinner will be included at **Cavallario's Steak House** in Alexandria Bay this evening.

SATURDAY, JUNE 5: Following a buffet breakfast at the hotel, we will depart for Uncle Sam's Boat Tours for a **Two Nation Tour** cruising on the emerald green waters of the mighty St. Lawrence River. The scenic, narrated cruise will take us on a 22-mile journey through what is considered the heart of the Thousand Islands and into American and Canadian waters, providing the best view of this truly unique geographical area shared by two nations and you don't even need a passport! Cruise through the narrow channels, over historic sunken wrecks, and by magnificent summer homes of the rich and famous while hearing about local historical facts and folk lore as well as information about the area's geology, environment, and native wildlife. We will then enjoy a boxed lunch and learn about the mysterious history and possible hauntings of **Singer Castle** on a unique cruise to **Dark Island**. Singer Castle was built at the turn of the century by Commodore Bourne, president of the Singer Sewing Machine Company, as a hunting lodge which remained in his family for half a century until it was bought by Reverend Martin in the 60s and established as a religious retreat. In 2005, the castle was purchased by a group of German investors and was opened to the public, allowing visitors from all over the world to view a castle that had always been shrouded in mystery and, as rumor would have it, haunted. Then, visit famous **Boldt Castle** located on **Heart Island**, famous for its tragic love story and gives a glimpse into life during America's Gilded Age. The historic summer home was built by George Boldt for his wife, Louise, between 1900 and 1904. Explore the five-acre island, touring the 129-room castle, its outbuildings, and its lovely landscaped grounds before returning by boat to Alexandria Bay. Relax at the hotel and enjoy a free evening to explore downtown Alexandria Bay at your leisure with dinner on your own.

SUNDAY, JUNE 6: After breakfast and hotel check out, we will pick up a **step-on guide** to give some overview area information as we travel from Clayton to Cape Vincent for a visit to **Tibbetts Point Lighthouse**. Built in 1827, the Lighthouse marks the point where Lake Ontario meets the St. Lawrence River and features the only original working Fresnel lens in Lake Ontario.
