

Rill's Bus Service

Motorcoach and School Bus Travel

Our *Extreme Clean* Commitment:

Cleaning, Disinfecting, Distancing and Protection

Ride Safe

Every bus is thoroughly cleaned and then disinfected before and after each use as follows:

- ✓ Removal of all dirt and debris, flooring mopped.
- ✓ Each bus will be thoroughly cleaned and disinfected with approved EPA cleaners and electrostatic sprayers with special focus on disinfecting high touch points such as entrance area handrails, door latches/handles, and window release bars, plus
 - Passenger seats, seat belts and seat accessories (if applicable)
 - All surfaces within the driver's area.

Onboard air quality is optimized as follows:

- ✓ Cabin air completely exchanged with fresh, outside air by simply lowering bus windows & raising roof hatches for circulation.

We help everyone stay safely distanced:

- ✓ Physical distancing while onboard the bus can be achieved by limiting passenger capacities. Assigned seating may be necessary. Recommendations include keeping every other seat open in order to create sufficient distancing, keeping the first row of seats on bus open to create distancing from driver, and for passengers to exit the bus from the front to back. (Note: Charter groups may determine their own preferred capacities based on their group's needs/preferences.)
- ✓ Your driver is trained in social distancing protocols and will practice these techniques throughout your travel experience.

Ride Smart

- ✓ Hand sanitizer provided on board.
- ✓ Passengers & drivers are required to wear a mask/face covering at this time while onboard bus pursuant to Governor Hogan's Executive Order #20-04-15-01. Nose & mouth should be covered to ensure everyone's safety. Face shields/goggles may be worn to supplement a mask but are not permitted to be worn alone. If gaiters are worn, they should have two layers of fabric or be folded to make two layers. (Note: It is the passengers' responsibility to supply their own PPE.)
- ✓ Maintain physical distancing as much as possible as you enter and exit the coach. Passengers will exit the bus from front to back.
- ✓ To help prevent the spread of COVID-19, all passengers should follow these actions:
 - Clean your hands often, either with soap and water for 20 seconds or a hand sanitizer that contains at least 60% alcohol.
 - Keep distance between yourself and other people as much as possible.

- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Do not travel if you are feeling sick or have any symptoms of COVID-19 including fever, cough, shortness breath among other symptoms. Do not travel if you have been exposed to someone with COVID-19 in the past two weeks or if you are currently mandated to be under quarantine. Avoid close contact with people who are sick.

Ride With Confidence

- ✓ We consistently comply with guidance as provided by our industry associations, as well as the CDC, WHO and local governments. We take pride in upholding the highest bus safety standards, have signed the *Maryland Strong: Back to Business Pledge*, are participants in the United Motorcoach Association's *AssurClean* program, and will continue working to support the health and wellbeing of our passengers and employees through our Extreme Clean Commitment. Operating procedures will be modified as restrictions are lifted. (Note: Reopening guidelines vary in each state and each destination may have varying safety protocols, so it is expected that passengers adhere to local requirements when traveling.)
- ✓ Our drivers, technicians and staff have been trained in best safety practices. Driver/employee temperatures are taken prior to each departure.
- ✓ Our additional investments in intensified cleaning and protection help ensure a sanitary environment for our passengers and employees.

*Rill's Bus Service has taken enhanced health and safety measures for you, our other passengers, and our employees, based on current federal/state/CDC guidelines. It is required to follow all given instructions while traveling with Rill's Bus Service. An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and even death according to the Center for Disease Control and Prevention. By traveling with Rill's Bus Service and participating in any and all trip package inclusions, you voluntarily assume all risks related to exposure to COVID-19. Join us by keeping each other healthy and safe by practicing good hygiene.

For over 53 years, we have been proud to share road adventures with you and are continually grateful for your business to serve your travel needs. It is our goal to keep everyone safe like they are part of our family and want you to feel at ease & confident when traveling with us. Yes, things may look a little different for a while, but we hope you understand the necessity to implement the above safety procedures for the protection of our precious cargo while onboard our equipment. The above information should be shared with passengers, so they are aware of our commitment to their safety. Since situations are changing daily, we are closely monitoring government guidelines, destination re-openings, safety protocols, and current updates, adjusting our own policies and procedures accordingly. These updated procedures will not detract from the exemplary service you are accustomed to receiving.

THANK YOU for all of your continued support and patience through the unprecedented times that we have all been experiencing. When you are ready to travel again, we will be here to transport you. In the meantime, we are still available during regular business hours to answer any questions you may have regarding procedures, check for updates, make new reservations, or just to chat. With your help and continued patronage as we move forward, we will emerge stronger from this together, and will once again enjoy traveling with Rill's Bus Service. From our family to yours, we wish you good health through this. We have missed you & your groups tremendously, and look forward to getting back on the road with you for more adventures & unforgettable experiences together!
