- 10:00-12:00 - Self-guided visit of **Nemours Estate** (Wilmington, DE) – The estate of Alfred I. DuPont, an influential member of the DuPont Company and family, is the grandest residence ever constructed in Delaware with its gardens remaining as the finest example in North America of a formal French garden. The gardens are exquisitely landscaped with fountains, pools and statuary surrounded by natural woodlands. The mansion and its 5 floors encompass 47,000 square feet of space (fully 1 acre under a roof) and are furnished with an eclectic collection of fine European and American furniture, rare rugs, tapestries and outstanding works of art. The grounds cover 222 acres and were inspired by Versailles in France.
- 12:15-4:15 - Guided introductory tour at **Winterthur Museum, Gardens & Library** with lunch on own in the café – Winterthur is a great American country estate, created by Henry Francis du Pont, nestled in the heart of Delaware's beautiful Brandywine Valley. It is the premier museum of American decorative arts, reflecting both early America and the du Pont family's life here, with an unparalleled collection of nearly 90,000 objects made or used in America between about 1640 and 1860. The collection is displayed in the magnificent 175-room house, much as it was when the du Pont family lived here, as well as in permanent and changing exhibition galleries. Winterthur is set amidst a 1,000-acre preserve of rolling meadows and woodlands. Take a guided tram tour (weather permitting) through the 60-acre naturalistic garden designed by du Pont, which is among America's best, with magnificent specimen plantings and massed displays of color. See the limited-time exhibition *Jacqueline Kennedy and Henry Francis du Pont: From Winterthur to the White House* which will tell the story of their historic partnership & the inspiration for Mrs. Kennedy's project to restore the White House interiors.
