Witness the largest piece of cut lead crystal ever made – The Sweeney Punch Bowl. Standing five feet tall and weighing 225 pounds, this remarkable piece of Victorian artistry is world renowned. Then, tour the elegant holiday decorations at the **Oglebay Mansion**

**Museum**, the first museum in West Virginia to be accredited by the American Association of Museums, and placed on the National Register of Historic Places in 1979. With a different theme each year, the mansion sparkles with original designs by local decorators and offers impressive collections of American furniture, china, silver, glass, pewter, toys, and textiles.
