- Board *The Proud Mary Showboat* for a 1-hour boat cruise on scenic Raystown Lake while surrounded by brilliant autumn colors. - 3:00-4:15 - **East Broad Top Railroad (Rockhill Furnace, PA)** – Take a true step back in time and enjoy a scenic one-hour steam-powered train ride through rolling hills, farms, and forests on America’s oldest operating narrow gauge railroad. Excursions depart from the historic Orbisonia Station along the narrow-gauge mainline, originally constructed in 1872. A National Historic Landmark since 1964, the East Broad Top is an immersive historical site and unparalleled preservation undertaking. Built beginning in 1872, the railroad is the only surviving three-foot gauge common carrier railroad east of the Rocky Mountains. And its shops, parts of which date to the 1880s, are among the best-preserved examples in the U.S. of a late-19th-century/early-20th-century industrial complex — in this case, powered by an overhead belt system driven by a stationary steam engine.
- The railroad was completed in 1874 to service the iron furnaces and coal mines along a 33-mile corridor in Huntingdon County PA. The railroad was sold was 1956 to the Kovalchick family who reopened the train in the 1960s. The EBT Foundation, Inc. acquired the railroad in 2020 and immediately began an extensive restoration effort to reopen the railroad.
- 6:30 PM - return to Westminster
