The theme, *Gardens of Tomorrow*, invites you to explore the future through the eyes of visionary designers, expert gardeners, and passionate green enthusiasts as they merge nature's brilliance with human ingenuity. Join us in creating a future where gardening plays a central role in enriching our lives and sustaining our planet. Whether you enjoy gardening for the many health and wellness benefits, you plant for your community and the connections it fosters, or you garden with sustainability in mind to strengthen our planet's ecosystem – every act of gardening is an act of hope that can improve our outcomes.

The PHS Philadelphia Flower Show is both the nation's largest and the world's longest-running “must experience” horticultural event, dating back to 1829, which features stunning displays by the region's most talented horticulturists, plus floral and landscape designers. The Flower Show has been honored as the best event in the world by the International Festivals & Events Association. Shop from vendors in the expansive Marketplace, enjoy horticultural and floral design demonstrations, make a garden-inspired craft on Artisan Row (additional fee), get up close with hundreds of spectacular, native & exotic butterflies at the Butterflies Live!
