SATURDAY, MAY 15, 2027 – "CAVE WONDERS & WILD ENCOUNTERS"
in DAUPHIN COUNTY, PA

8:00 AM - leave Kohl's, Westminster (Rt. 140 & Market Street)

9:45-11:30 - **Guided tour at Indian Echo Caverns** (Hummelstown, PA) – Indian Echo Caverns is a natural underground attraction…a limestone cave and natural splendor along the Swatara Creek. Cut through Beekmantown limestone, which is over 440 million years old, the caverns were formed through the erosive properties of water. As time progressed, geological forces led to an "uplift" of the surrounding limestone, eventually allowing more and more water to flow through the formation. As the water flowed over the limestone, it began to create small crevices, these small crevices led to larger ones, and eventually, over a series of millions of years, it created the caverns as they are today. While touring the caverns, visitors see nature's underground beauty with various formations and lakes that accent the environment to make your tour a memorable experience. Visit their spacious gift shop and be sure to stop by the petting zoo!

PLEASE NOTE: The caverns are NOT wheelchair or handicapped-accessible due to the number of stairs, terrain of the caverns, and narrow passageways. Since the temperature in the caverns is a consistent 52 degrees, it is highly recommended to bring a sweater, sweatshirt, or light jacket for the tour. Tennis shoes, sneakers, boots, or any shoes that cover your toes are recommended. Sandals and flips flops are not recommended. Cameras with flash and camcorders are permitted. No backpacks or large bags may be taken into the cavern. Plenty of seating areas are available for anyone not participating in the guided tour.

12:30-3:45 - **Lake Tobias Safari** (Halifax, PA) – Enjoy a truly "wild" safari on specially designed open-air cruisers that will take you across 150 acres of rolling land where you will see & experience herds of wild and exotic animals from around the world. Tour guides travel with you giving expert information on the various species and their habitats and giving you opportunities to feed them! Have time afterwards to explore the many wildlife habitats, reptile house, petting zoo & gift shop.
